

# BRING YOUR SHOES TO WORK

Help us divert some of the 300 million pairs of shoes that head to our landfills annually. Drop off your shoes in the cardboard box below and Walkable Collections will make sure to give them another life!

**WE ACCEPT ALL TYPES OF USED SHOES, SNEAKERS AND BOOTS EXCEPT SKI BOOTS, ROLLERBLADES OR SINGLES, PLEASE!**

Walkable Collections is the shoe recycling division of Wearable Collections, a NYC based company focused on keeping clothing and textiles out of landfills while generating funds for charities.
